

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF FLORIDA

CASE NO. 24-80116-CR-CANNON/McCabe

UNITED STATES OF AMERICA

Filed Under Seal

vs.

RYAN WESLEY ROUTH,

Defendant.

NOTICE OF FILING GOVERNMENT'S EXHIBIT LIST

The United States of America, through undersigned counsel, respectfully files the attached Government's Exhibit List. Per the Court's *ore tenus* and subsequent paperless order (ECF No. 212) on July 25, 2025, this exhibit list is being filed under seal, and will be mailed to Defendant Ryan Wesley Routh, *pro se* at the Federal Detention Center in Miami, Florida. The attached is an initial exhibit list that the Government will continue to review. We have identified each item by bates number where applicable (some items, such as content from the Defendant's devices, were produced in discovery but not assigned specific bates-numbers). The Government expects to reduce the number of exhibits to be introduced in its case-in-chief as the trial date nears. Some exhibits are included here in an abundance of caution given the Court's actual and anticipated pre-trial rulings.

Respectfully submitted,

HAYDEN P. O'BYRNE  
UNITED STATES ATTORNEY
